1. APOLOGIES

2. LYTTELTON HARBOUR LAND DRAINAGE AND SEDIMENTATION

This joint workshop has been arranged as a result of a resolution made by the Council at its meeting on 12 June 2014:

"That in relation to Lyttelton Harbour land drainage and sedimentation issues, the Council request a report on implementation of the stormwater management plan on whether it would be more beneficial to progress an integrated catchment management plan. Note that this report will go to a joint workshop of the Environmental Committee and the Community Board."

3. IMPLEMENTATION OF THE STORMWATER MANAGEMENT PLAN

Staff will give a verbal report on this topic for discussion by the Committee, Community Board members and staff.

CATERING

Tea and coffee will be available from 1.30pm
