## 8. Shirley/Papanui Community Board Area Update

### 8.1 Street Lighting - Prestons Subdivision Exit to Lower Styx Road

At its meeting on 1 June 2016 the Board noted visibility issues at this intersection and asked staff to investigate this. The Team Leader Asset Management has provided the following information:

"The intersection has been designed to a traffic route standard, lighting subcategory V4. This level of lighting complies with Council standards for an intersection on a rural high speed road."

The subdivision was taken into account when the level of lighting was determined. The Chairperson agreed to circulate this information to the Spencerville Residents Association.

### Community Board Recommendation

#### Part B

The Shirley/Papanui Community Board received the information.

Member Davidson/Member Watson

**Carried**

### 8.2 Marshland Road (south of Hercules Street), Shirley, Pedestrian Refuge Installation

At its meeting on 6 April 2016 the Board received a deputation and then considered a report regarding the location of this pedestrian refuge and the nearby bus stop on Marshland Road close to The Palms.

A memorandum from the Project Manager outlining the issues involved in making any changes to the existing location of the bus stop was attached to the Area Report.

### Community Board Recommendation
