## 7. Community Development Approach to Street-Based Sex Work - Quarterly Progress Report

### Committee Comment

The Committee received advice from staff that the Council should approve the reporting change that future quarterly progress reports be provided to the Linwood-Central-Heathcote Community Board and the Social, Community Development and Housing Committee.

Staff advised that the Linwood-Central-Heathcote Community Board has recommended that the Committee appoint Alexandra Davids and Councillor Deon Swiggs to the Street Based Sex Work Collaborative Community Working Group. Advice was provided that the Council should approve amendments to the Working Group's membership.

The Committee made recommendations to the Council to address these points.

### Committee Decided RPCM/2018/00016

#### Part A

That the Regulatory Performance Committee recommends that the Council:

1. Receive the Quarterly Progress Report – Community Development Approach to Street-Based Sex Work.
2. Refer future quarterly progress reports to the Linwood-Central-Heathcote Community Board and the Social, Community Development and Housing Committee (rather than the Regulatory Performance Committee).
3. Appoints Alexandra Davids and Councillor Swiggs as the Linwood-Central-Heathcote Community Board representatives on the Street Based Sex Work Collaborative Community Working Group

Councillor Galloway/Councillor Templeton

## 8. Dog Registration and Associated Fees 2018 - 2019

### Committee Comment

The Committee discussed how legislation stipulates that the dog registration year commences on 1 July. This requires the Council to start notifying dog owners of the requirements in May each year. This means that the fees cannot be set through annual plan or long term plan processes. The Committee made an additional recommendation that the Council approaches central Government to review the timing to allow the fees to be adopted at the same time as councils' annual plans.

### Committee Decided RPCM/2018/00017

#### Part A

That the Regulatory Performance Committee recommends that the Council:

1. Adopts the schedule of Dog Control Registration Fees, and Licence Fees to keep more than two dogs, for the 2018/19 Financial Year as set out in Option 1 of Attachment A.
2. Adopts the schedule of Dog Pound fees for the 2018/19 Financial Year as set out in Option 1 of Attachment B.
3. Notes that the schedules include fees for:
  - a. The registration of dogs of different categories as allowed under the Dog Control Act 1996
  - b. The licence to keep more than Two dogs (properties less than 10,000m2 in area)
  - c. The impounding, boarding, adoption and disposal of impounded dogs
4. Requests central Government to align the timing of dog registration with the Long Term Plan process, and to shift the dog registration commencement date to 1 August.

Councillor Scandrett/Councillor Galloway

**Carried**

The meeting adjourned at 10:15 a.m. and resumed at 10:26 a.m.

## 12. Temporary Alcohol Ban in Linwood Village Area

### Committee Comment

Staff requested that a correction to the report be recorded. Paragraph 5.13 on page 59 of the agenda should read that Council adopted the plan in December 2017, not December 2018.

### Committee Decided RPCM/2018/00021

#### Part A

That the Regulatory Performance Committee recommends that the Council:

1. Receives the information on the review of the effectiveness of the temporary alcohol ban.
2. Agrees that there is sufficient support for a new alcohol ban to be imposed to create positive impacts to Linwood Village community.
3. Notes that a new ban complements a series of consultations on community-based responses to address safety issues initiated by local partners Te Whare Roimata, Council's Linwood-based community governance team, the Urban Regeneration Team and Regenerate Christchurch as part of the revitalisation process.
4. Resolves that it is satisfied that:
  - a. With respect to the area to which the temporary Alcohol Ban applies, a high level of crime or disorder is likely to arise if the temporary Alcohol ban Area is not continued; and
  - b. The ban, made under the Council's Alcohol Restrictions in Public Places Bylaw 2009, as applied by the resolution:
    - i. Is appropriate and proportionate in the light of the evidence; and
    - ii. Can be justified as a reasonable limitation on people's rights and freedoms.
5. Resolves to impose under Clause 5 of the Alcohol Restrictions in Public Places Bylaw 2009 a temporary alcohol ban in the area bounded by Fitzgerald Avenue (East side), and both sides of the streets – Armagh Street, England Street, and Hereford Street (**see Attachment A – map**), 24 hours a day, seven days a week for six months from 20 June 2018.
6. Notes that the temporary ban can be made permanent in conjunction with a possible replacement of the Alcohol Restrictions in Public Places Bylaw 2009 later this year.
7. Requests staff to place a Public Notice in the newspaper and make alcohol ban information available to all relevant stakeholders in and around the ban area.
