## Plans to sprout Christchurch tree canopy

15 Dec 2023

Share this story

...lling series of plans to plant more trees throughout Christchurch and Banks Peninsula have been  
...sed.

... is part of the **Ōtautahi Christchurch Urban Forest Plan** which aims to increase the canopy cover across the city  
... an ambitious target of 40% across our 1,200 parks over the next 50 years.

## Cambridge Green

- Proposal will see 14 new trees
- Canopy cover will increase from 17% to 62%
- Received 3 individual submissions, 2 strongly supported the planting and one somewhat supported the planting.
- No Changes have been recommended for this park.

## Marble Wood Reserve

- Proposals for 19 new trees plus
- Increase canopy from 35% to 72%
- This plan received no individual submissions
- It is proposed that this plan be approved without any changes.

## Next Steps

If plans are approved staff will proceed with ordering trees for this planting season

Planting will be staged over 1-5 years

Planting will be completed by the Councils internal tree planting team

Community planting days may also be utilised to assist with planting
