That the minutes of the Papanui-Innes Community Board meeting held on Friday, 9 June 2017 be confirmed subject to the following amendment to item 17.2: replace the words "...on noise levels, vibrations, and air quality..." to "...on the feasibility and best way to obtain data regarding noise levels, vibrations and air quality..."

Pauline Cotter/Jo Byrne

Carried

4. Public Forum

4.1 Road and Intersection Safety

Part B

Rachael Lane attended and spoke to the Board about road and intersection safety in relation to the St Albans School pupils crossing the Berwick/Cranford Streets intersection. Parents walk their children to St Albans School every day and are extremely concerned about the illegal driving practices, in particular the running of red lights, and feel that this places their children at serious risk of injury.

The Police conducted an operation at this intersection that resulted in the ticketing of a number of red light offences.

Rachel asked that the installation of electronic school speed signs on Cranford Street be considered.

The Board noted that there are reports that these incidents are also commonly occurring at the intersection crossing at Westminster and Cranford Streets. The Board discussed meeting with concerned parties, including parents, police, school and Christchurch City Council traffic staff to identify issues and possible solutions and noted that these problems are occurring city-wide.

The development of a process/package for other affected areas was discussed as well as a city-wide red light campaign.

The Chairperson thanked Rachael Lane for her presentation.

The Papanui-Innes Community Board decided to:

1. Call for an urgent report from staff, including the option of a safety barrier, to address pedestrian safety issues at the Berwick/Cranford Street intersection.
2. Call for a report from staff to address the issues for pedestrians around St Albans School following a meeting of affected parties.

4.2 Shirley Friendship Club

Part B

Sandra Alexander and Barbara Bone thanked the Board for the funding grant previously given to the Shirley Friendship Club. They noted that they are currently meeting outside the Shirley area and asked for information on the rebuild of the Shirley Community Centre.

Staff will liaise with the Club about available meeting space in Shirley.

The Chairperson thanked Sandra Alexander and Barbara Bone for their presentation.

4.3 The Papanui Village Church

Part B

Margaret Samson spoke to the Board about the pre-school music programme being run by the Papanui Village Church (previously known as St Giles). The programme is using a room at St Andrews College until the church and facilities are rebuilt.

The Chairperson thanked Margaret Samson for her presentation.

5. Deputations by Appointment

5.1 Randall Street - Street Renewal

Part B

Leo Vanhanen spoke to the Board about the proposed street renewal for Randall Street (refer item 9). Mr Vanhanen expressed his disappointment that part of Randall Street had not been included in the proposed street renewal and asked that the inclusion of this section be re-considered.

The Chairperson thanked Mr Vanhanen for his presentation.

6. Presentation of Petitions

Part B

There was no presentation of petitions.

7. Correspondence

7.1 Parking Issues Gosset and Malvern Street

The Board requested that the Parking Compliance team be notified of these issues and asked to monitor this area regularly.

7.2 Speeding Vehicles – Tuckers Road/Farnswood Place

The Board noted the issues raised in the correspondence, refer to resolution below.

Staff Recommendations

That the Papanui-Innes Community Board:

1. Receive the information in the correspondence report dated 30 June 2017.

1. Revoke the Give Way control against Frank Street at its intersection with Mary Street as shown as Location A on Plan TG131048.
2. Resolve that a Give Way control be placed against the southern arm of Mary Street at its intersection with Frank Street, as shown as Location B on Plan TG131048;
3. Resolve that a Give Way control be placed against the eastern arm of Frank Street at its intersection with Mary Street, as shown as Location C on Plan TG131048;
4. Resolve that a Give Way control be placed against the northern arm of Gambia Street at its intersection with Frank Street, as shown as Location D on Plan TG131048.

Mike Davidson/Pauline Cotter

Carried

Note: John Stringer and Pauline Cotter (amendment made at the 21 July 2017 Board meeting during the Confirmation of Minutes item, clause 3) voted against the motion.

9. Randall Street (Petrie Street to North Parade) - Street Renewal Project

Board Comment

Staff noted that the renewal of section of Randell Street between Petrie and Chrystal Streets is funded by SCIRT and the section between Chrystal and North Parade is funded through surplus street renewal funding. No funding is currently available for the renewal of the Petrie Street to Stapletons Road section of Randall Street. The Long Term Plan gives a 5 year timeframe for this work.
