Board Comment

The Board made several amendments to the Staff Recommendation, in part based on up to date verbal information supplied by staff, which resulted in changed recommendations for the following properties:

- Stoddart Point Reserve – 2H Waipapa Avenue
- Woodills Milk Store – 55 Woodills Road
- Reservoir – 38 Waipapa Avenue
- Little River Education House – 4421 Christchurch-Akaroa Road
- Vacant Land – 2979 Christchurch-Akaroa Road
- Gollans Bay Rubbish Tip – 150 Old Sumner Road
Staff Recommendations:

That the Banks Peninsula Community Board:

Notes that:

1. The purpose of this report is to determine the future use of land holdings that are no longer required, or being utilised, for the purpose that they were originally purchased. This is to be achieved by categorising them into the following three options for incorporation in a recommended resolution to Council.

Three options:

3.1 Option 1 - Retain for a future strategic purpose.
3.2 Option 2 - Declared surplus for disposal.
3.3 Option 3 - Retention to explore an alternative public use.

2. It has received advice through workshops and staff reports (including the public excluded attachment titled “Update January 2019”) on the possible future use of the various land holdings in this report.

3. To help inform a final resolution recommendation those workshop outcomes and suggestions were further reviewed and discussed at a workshop on the 28th January prior to this report being considered. The outcomes of which are summarised as follows:

a. Woodills Milk Store - 55 Woodills Road
   i. Initial workshop outcome 2018: Option 1 - Retain for a future strategic purpose.
   ii. Staff suggestion: Option 2 - Declared surplus for disposal (noting the lessee indicated after the workshop that they wish to surrender the lease).
   iii. Recent workshop outcome 28 January 2019: There was no interest from other Council infrastructure units i.e. Transport, Parks and 3 Waters. The Board requested that staff discuss with St Johns whether this is a suitable site for their requirements.

b. BP Meats Development - 67A Rue Lavaud
   i. Recommendation: Option 1 - Retain for a future strategic purpose (and initiate a process to investigate future development options).
   ii. Recent workshop outcome 28 January 2019: That this be referred to Development Christchurch Ltd (DCL) to assess and develop viable commercial regeneration options for the Board to consider and develop a future process from.

c. Shackleton Reserve - 10 Shackleton Terrace
   i. Recommendation: Option 2 – Declared surplus for disposal.
   ii. Recent workshop outcome 28 January 2019: Parks and Transport have no interest in the property. Support declaring the property surplus.

d. HMNZS Steadfast - 64 & 86 Governors Bay Road
   i. Initial workshop outcome 2018: Option 1 - Retain for a future strategic purpose.
ii. Staff suggestion: Option 3 – Retention and transfer to an alternative public work use. Subject to the criteria below under recommended resolution to Council 5.a being met.

iii. Recent workshop outcome 28 January 2019: Support the staff recommendation i.e. retention for incorporation into the Parks portfolio.

e. Gollans Bay Rubbish Tip - 150 Old Sumner Road

i. Recommendation: Option 3 - Retention and transfer an alternative public work use (Subject to the criteria below under Recommended resolution to Council 5(a) being met)

ii. Recent workshop outcome 28 January 2019: Parks indicated a preliminary view that this was probably of no interest to include in their portfolio and add to the network. The Board requested that the Council’s Parks team further look at this property more closely with the view of retaining it in the Parks portfolio for open space and recreational use, as it currently seems to be actively utilised.

f. Development Land Ngatea Point – 27 Hunters Road, 5A & 31A Te Papau Crescent, 42 Whero Avenue, 399 Bayview Road

i. Recommendation: Option 1 - Retain balance for a future strategic purpose, retain and protect the bush gullies (noting that there is a separate process already underway relating to the protection of the bush gullies).

ii. Recent workshop outcome 28 January 2019: Support the recommendation.

g. Reservoir - 38 Waipapa Avenue

i. Recommendation: Option 2 – Declared surplus for disposal.

ii. Recent workshop outcome 28 January 2019: That the community Board is not aware of any alternative public uses for the site, but acknowledges the community may desire the property be retained as open space. Parks are therefore requested to reconsider whether this property should be retained for that purpose.

h. Stoddart Point Reserve - 2H Waipapa Avenue

i. Recommendation: Option 2 – Declared surplus for disposal.

ii. Recent workshop outcome 28 January 2019: The reason for ownership was not evident and therefore declaring it surplus for disposal is an option. The Community Board wants to further understand adjoining ownership, whether there would be an offer back obligation and what the relationship / arrangement / obligations may or may not be with regards to the postal boxes.

i. Reservoir – 306 Bayview Road

i. Recommendation: Option 2 – Declared surplus for disposal.

ii. Recent workshop outcome 28 January 2019: That the Community Board is not aware of any alternative public uses for the site, but wants to be assured the property is not required for open space / recreation purposes, particularly walking track purposes. Parks are therefore requested to consider whether this property should be retained for that purpose.

j. Rural Land (Store Livestock) – 3381 Christchurch-Akaroa Road
i. Recommendation: Option 2 – Declared surplus for disposal.

ii. Recent workshop outcome 28 January 2019: The Council Senior Policy Planner provided advice that – “these cliffs have high ecological values, they support a significant biota (flora and fauna). Not least they are classified as a nationally rare ecosystem which are a national priority for protection” It was discussed and consider that the staff (including the Parks – Team Leader Biodiversity) need to review this property in that context and provide further advice on whether retention or protection mechanisms are required.

k. Vacant land – 2979 Christchurch-Akaroa Road

i. Recommendation: Option 2 – Declared surplus for disposal.

ii. Recent workshop outcome 28 January 2019: The Council Senior Policy Planner provided advice that – “it may have some ecological values on the small cliffs at the base of the property” It was discussed and consider that the staff (including the Parks – Team Leader Biodiversity) need to review this property in that context and provide further advice on whether retention or protection mechanisms are required.

l. Former Quarry Freehold - 79 Jones Road

i. Workshop outcome: Consider retention and transfer to an alternative public work use.

ii. Staff suggestion: Option 2 – Declared surplus for disposal.

iii. Recent workshop outcome 28 January 2019: The Council Senior Policy Planner provided advice that – “this is a dryland site that may support indigenous biota. We already have some serious biodiversity issues in the Kaitorete / Birdlings Flat area so need to be very sure that the site has no values before disposing of it. It may have restoration potential.” It was discussed and considered that the staff (including the Parks – Team Leader Biodiversity) need to review this property in that context and provide further advice on whether retention or protection mechanisms are required.

m. Little River Education House – 4421 Christchurch-Akaroa Road

i. Workshop outcome: Consider retention and transfer to an alternative public work use.

ii. Staff suggestion: Option 2 – Declared surplus for disposal.

iii. Recent workshop outcome 28 January 2019: It was determined that the tenancy in the house be terminated and it then be demolished as it is at the end of its economic life. There are no Transport requirements for the land. Parks indicated that they would like to check the value of retaining the land or a portion for a connection to Little River Esplanade Reserve or potential for a freedom camping site.

As a result of the above the Community Board recommends to Council that it passes the following resolutions:

4. Option 1.
