8. Spreydon-Cashmere Community Board ANZAC Day 2019 Commemoration Report

Reference: 19/279861
Presenter(s): Faye Collins, Community Board Advisor

1. Purpose of Report

1.1 The purpose of this report is for the Spreydon-Cashmere Community Board to consider how it wishes to commemorate ANZAC Day 2019.

2. Executive Summary

2.1 This report is staff generated to assist the Board to consider the manner in which it wishes to commemorate ANZAC Day 2019 and any associated funding requirements.

2.2 Over recent years the former Spreydon/Heathcote Community Board commemorated ANZAC Day with a local gathering at the Waltham Memorial Gates at Waltham Park within the Spreydon/Heathcote ward at mid-morning on ANZAC Day. The event was notified by a public notice in the newspaper and culminated with the laying of a commemorative wreath funded by the Board.

2.3 As a result of the changes from the last representation review Waltham Park is now within the Linwood-Central-Heathcote Community Board area. Due to there being a limited number of war memorials within the Spreydon-Cashmere Community Board area in previous years the Board held an ANZAC Day Commemoration at 10am on 25 April at the historic Sydenham Cemetery where there are some former soldiers’ graves and which is an accessible venue. This event has been well attended.

2.4 In addition for the last two years the Board has purchased a second floral wreath and laid this at the Returned Servicemen Association’s dawn Service at Victoria Park.

2.5 The Board is invited to consider if it wishes to commemorate ANZAC Day 2019 with a local gathering at the Sydenham Cemetery or another venue within its area boundaries.

2.6 The Board is also invited to consider if it wishes to commemorate ANZAC Day 2019 by supplying a floral wreath to be laid at the Returned Servicemen Association’s dawn Service at Victoria Park.

3. Staff Recommendations

That the Waihoro/Spreydon-Cashmere Community Board:

1. Receives the information in the Spreydon-Cashmere Community Board ANZAC Day 2019 report.
2. Decides to hold an ANZAC Day Commemoration at 10 am on 25 April 2019 at the Sydenham Cemetery.
3. Decides to request that a public notice be placed in the Press advertising the Board’s ANZAC Day 2019 Commemoration and inviting local residents to attend.
4. Allocates $400 from its 2019/20 Communicating with Communities fund for the purchase of a floral wreath to be laid as part of the Board’s Commemoration at Sydenham Cemetery and a floral wreath be laid at the Returned Servicemen Association’s dawn Service at Victoria Park.
4. Key Points

4.1 The Spreydon/Heathcote Community Board has recently commemorated ANZAC Day with a local gathering at the Waltham Memorial Gates at Waltham Park.

4.2 Waltham Park is not within the Spreydon-Cashmere Community Board area.

4.3 For the last two years the Board held an ANZAC Day Commemoration on ANZAC day, 25 April at the Sydenham Cemetery. The event has been well attended.

4.4 In addition the Board has purchased a second floral wreath to be laid at the Returned Servicemen Association’s dawn Service at Victoria Park.

4.5 The Board is invited to consider if it wishes to commemorate ANZAC Day 2019 with a local gathering at the Sydenham Cemetery or another venue within its area boundaries and to consider if it wishes to supply a floral wreath to be laid at the Returned Servicemen Association’s dawn Service at Victoria Park.

**Staff Assessment**
This application has been received from Spreydon Youth Community Trust (SYC) who is seeking funding assistance towards running a weekly youth programme based in Rowley. SYC has operated for over 20 years, and has been instrumental in establishing the 24-7 Youth Workers. There are Youth Workers working in three schools in the Spreydon-Cashmere area mentoring and supporting pupils during non-curricular times as well as offering out of school sport and recreation opportunities.

The youth programme is aimed at young people from age 12 up to 18 years of age and will be held on Wednesday evenings in the Rowley Avenue Bible Chapel from 6pm to 8.30pm. The programme will run during school term time by experienced youth workers from the local community.

The activities provided includes sports, games, speakers, social and educational events for the young people to attend, discussions, individual and group mentoring, and leadership training. It is intended that two to three camps will also be held throughout the rest of the year. The programme will attract approximately 30 plus young people per week and will offer a safe place for them to "hang out" and engage with their peers. The programme is free to attend and will provide light refreshments.

**Organisation Name:**
- Te Kura Kaupapa Maori o Te Whanau Tahi

**Project Name and Description:**
- Outdoor Table Tennis Table for Seniors and the Community
  - This project is seeking funding assistance towards an outdoor concrete table tennis table for senior student's Year 9 to 13 and the wider community.

**Other Sources of Funding (this project only):**
- Sponsorship - $1,000

**Staff Assessment:**
- Te Kura Kaupapa Maori o Te Whanau Tahi School is located in Spreydon and was formed in 1989 with just four students with a view to having children learn more about Te Reo Maori and to be Maori in their transition from the Kohanga Reo to the Kura. In 2018 it was reported that the School's capabilities and size has grown to a role of 155 students from primary age through to high school age. The aim of the Kura is to support whanau education that reflects the principles of Te Aho Matua. Culture-based learning comes from vision and helps students to develop a strong sense of identity and commitment to Te Reo Maori in implementing the identified values.

- The high school students (Year 9 to 13) are required to hand in their mobile devices at the beginning of each day. This encourages the students to spend more time with the junior students at break times mentoring and being good role models.

- However, this has highlighted that the junior students have far greater resources available to them such as a playground with a flying fox and other age appropriate games and equipment. At present the seniors only have a basketball court which is constantly in use. The senior student representative approached the School Board of Trustees on behalf of all of the senior's students asking for an outdoor concrete table tennis table to be installed for them to use at break times. The seniors put forward ideas like running inter house competitions as well as teaching their junior students how to play.

- The purpose behind having an outdoor permanent table tennis fixture is also for the community to be able to use this at any time outside of school hours. The Whare along with the playground is in constant use in the evenings and over weekends so the equipment would be well utilised. The students sourced quotations and looked into sponsorship opportunities as they are aware that there is a lack of available funds. They decided that the cheaper quotation they received would be more suitable as it was less expensive but also because it is provided unpainted and gave them the opportunity to work together to paint their own designs on the table encouraging unity and ownership by the students. This can then be updated as students leave and new students arrive at the school. The space that they have chosen for the installation is sheltered from the elements and undercover.

Spreydon – Cashmere Community Board
2019/20 Community Board Projects to Consider

Community Awards - $6,000

Community Pride Garden Awards
This project is a partnership between the Christchurch City Council and the Christchurch Beautifying Association (CBA). The awards acknowledge the work of residential and commercial gardeners, who by their exemplary efforts have contributed to Christchurch's garden city image in the Spreydon-Cashmere area.

Judging is undertaken in January by the CBA with Community Board representation, and a Spreydon-Cashmere awards presentation is held in March. Over 130 people including recipients and their guests attended in 2018, many of whom are older adults who have year after year presented high standard garden displays.

Grant expenditure provides for costs that include certificates, catering, venue hire, flowers and magazines. The event is organised by the Community Governance team.

Community Service and Youth Awards
These awards are presented to individuals and groups in recognition of significant voluntary service over time in the Spreydon-Cashmere wards. It covers volunteer work in areas such as older adults, children/youth, disability support, education, culture, church, recreation, sport, and community wellbeing. There is a specific youth service award.

The scheme is advertised city-wide, with the Community Board receiving all local complying nominations for consideration and decisions. Successful nominations lead to recipients being notified and invited to a presentation ceremony where they receive certificates from the Community Board and a copy of the annual awards booklet that profiles each of them. Nominations open in March, and the award ceremony is normally held in June.

Edible Garden Awards - $3,500

The Spreydon-Cashmere Community Board partnership with the Canterbury Horticultural Society delivers promotion and recognition of garden food producers, featuring expert assessments and an award ceremony for over 90 people.

In 2015 the Spreydon/Heathcote Community Board requested a workshop with Council staff about initiating an annual sustainable/edible/rain garden award for the Spreydon/Heathcote Ward. Initial findings by staff about existing ward schemes, and potential partners were summarised to the Board in late 2015. Community development and support staff received detailed briefings about the Papanui/Innes current scheme, and recommended that a partnership with the Canterbury Horticultural Society would provide the best initial option by getting started with edible garden awards. The inclusion of sustainability and rain water use awards were considered for category inclusion.

Neighbourhood Week – Let’s get together this summer! - $4,000

This project encourages a sense of belonging, strengthens neighbourhood cohesion, develops neighbourhood pride and community links through the part funding of local events during Neighbourhood Week, which is now held all summer long. The project is advertised and implemented citywide. The events are generally small gatherings of local neighbours, often including one street, although several are organised through a local NGO where neighbours may not otherwise come together to organise them.

Applications are open between Monday 30 July and Friday 7 September, and are presented to the Board for a decision on the allocation of the agreed grant budget in September/October.
Neighbourhood Week is celebrated all summer long. Approximately 40 applications are typically received each year for consideration. Administrative support is provided by Community Governance team staff.

- Funding is not available for alcohol or fireworks.
- The Board may not give priority to funding items other than food.
- Neighbourhood Week funding is seen as a small contribution towards holding a gathering.
- Because it is intended to “bring neighbours together” applications from individuals getting together and holding a local gathering will take priority over those held by organisations.
- Neighbourhood Week funding should not be seen as a way for individuals or organisations to hold a gathering that they would otherwise have had at other times of the year.
- It is expected that those holding the gathering will contribute in some way towards the gathering, even if it is through supplying some of the materials.
- All gatherings need to take place within designated dates
- Where two gatherings are to be held in a close locality (i.e. the same street or park), applicants will be encouraged to combine these gatherings.
- Where two or more people apply separately for the same gathering, these applications will be considered together.
- Only residents of Spreydon-Cashmere may apply.
- Residents’ Associations can apply unless they have received funding for a Neighbourhood Week gathering from another Council fund.

**Off The Ground Fund – $2,500**

The fund is to provide the community with access to small grants as one-off funding for community volunteer projects with a quick turn-around consideration process. The emphasis of this fund has been consistently on projects creating “a moment of joy”.

The criteria for the fund is as follows:

- The project must benefit people living in the Spreydon-Cashmere Board area.
- Only one grant will be available for any one community project within a period of 12 months.
- Funding may be granted up to a maximum of $250.

The process for the fund is:

- Applications are to be made on the Council funding application form provided prior to commencement of the project.
- Applications must provide contact details and details of the location of the activity and a short description of the project.
- The grant applications will be administered through the Spreydon-Cashmere Community Governance staff who will undertake an initial assessment of applications and distribute brief details of the assessment to all Board members.
- Board members are to promptly indicate their support or otherwise for the grant to the Board Chairperson for consideration.
- Approval of a grant up to a maximum of $250 is delegated to the Board Chairperson.
- The funds will be paid to the applicant on the production of receipts as reimbursement after approval has been received. If it is more appropriate for payment to be made up front this may be discussed with staff.
- A schedule of grants from the Off the Ground Fund will be provided to the Board members on a monthly basis

**Youth Achievement and Development Fund - $9,000 (2018/19 Amount)**

The Youth Achievement and Development Scheme provides financial assistance to school year 7 to 25 year olds in personal development and growth and for representation at events. The fund is to acknowledge young people’s effort, achievement or excellence in the community by providing financial assistance of up to $500 for developmental and participatory activities. Achievement includes personal development and growth in the areas of sport, culture, leadership, and non-
Applicants complete an application form requesting financial assistance in personal development and growth, and for representation at events. Each application is assessed by the appropriate staff member and a report presented to the Board for its consideration.

The criteria for the fund states:

- Applicants age must be from Year 7 School age to 25 years old inclusive.
- Only applicants having their primary residence in Spreydon-Cashmere are eligible.
- Retrospective applications will not be considered.

- Projects must have an obvious benefit for the recipient and/or the wider community.
- Any funding provided will be limited to two grants per individual, and no more than one grant per individual in any 12 month period.
- Successful applicants will be invited to report back to the Board following expenditure of their funding support.
- The level at which an individual is performing/achieving will be taken into account, including competition or performance levels.
- Financial considerations may be taken into account.

### Communicating with the Community - $3,000

This project covers the costs of community communication, engagements and meetings. The Spreydon-Cashmere Board area has multiple geographic and interest-based citizen groups. The Spreydon-Cashmere Community Board Plan commits to engagement with a wide range of residents' groups, community groups, and residents in order to determine planning and decision-making priorities.

A range of engagement methods will be used to communicate with residents, business, and community groups in Spreydon-Cashmere to raise awareness and participation in local democracy processes. The Board has in the past pro-actively engaged locally about the Long Term Plan and Annual Plans, the Community Board Plan as well as about Ward specific issues such Flooding issues and the Land Drainage Recovery programme. In addition the Board has hosted public information sessions such as on the Tree and Urban Forests Plan, Public transport and the District Plan and Resource Management Act processes. These sessions were aimed at providing residents with information and an opportunity to provide feedback.

### Community Events - $8,000

**Hoon Hay Fiesta**

The Hoon Hay Fiesta brings many community groups together to celebrate the local community and showcase their talents. The Hoon Hay Fiesta continues to grow in participation and popularity, with the Pacific Series a rugby league tournament and the South West School Cluster joining the event as their cultural festival in 2018.

The event is coordinated by a planning committee that is facilitated by the Community Recreation Advisor. The committee have developed a community-led kaupapa for the event and are instrumental in engaging community groups, performers and volunteers on the day. The event complements a significant amount of ongoing community work in the area. It brings together local groups, organisations and agencies to raise awareness, celebrate their work and strengthen their relationships with each other and the community. It also offers an opportunity for children to perform on stage and participate in free activities they may not otherwise be able to access.
Hoon Hay Fiesta attracted over 1,000 participants in 2017 with the numbers increasing significantly in 2018 to approximately 3,000 with over 400 children performing on the night and the opening of the Pacific Series which attracts approximately 10,000 people over the three day tournament.

**Hoon Hay Hoops**
The Hoon Hay Hoops event was organised because of the cancellation of Barrington Big Fun in 2014, which led to a lower cost Skate Jam being held in Rowley with residual funds carried over. The Hoon Hay Hoops concept came from feedback by the community that local children wanted a 3V3 basketball competition instead of a Skate Jam.

Hoon Hay Hoops was held for the second year in October 2017 and had over 30 teams taking part in two age brackets. The event had an element of competition but mainly was about having fun and bringing youth together. The planning committee of local young people have already attended a Get Set Go workshop and have opened the competition to all ages in a social capacity with teams having to include a female on each team. This is a reflection from Hoon Hay Hoops 2017 where there was only a small number of females participating.

Due to the light installation on Hoon Hay Park Hoon Hay Hoops will be an opening in May 2019 and then the competition will continue again from October 2019.

This event is being replicated in Halswell-Hornby-Riccarton and Papanui-Innes areas.

**Community Events Fund Project - $8,000**

This opportunity offers community groups the chance to bring an idea to life, through the upskilling and support to plan, run, evaluate and fund a local event. The opportunity is intended for groups who have little or no experience in running successful community events safely and efficiently.

To be part of this journey, applicants will need to write an expression of interest outlining the event and the benefits this will bring to their neighbourhood or community. They will need to set up a planning committee comprising a minimum of three people and will be taken through a Get Set Go workshop which teaches basic event management skills, enabling them to build capacity and confidence to deliver either the same event or a different event in the future.

The event can be held either in or outdoors and can have a community, sporting, cultural or arts focus. It can also be culturally or demographically specific, for example an older adult event. All events must help achieve the Spreydon-Cashmere Community Board Plan outcomes.

To date Cashmere Carnival and Huntsbury Community Movie Night have been held.
12. Elected Members’ Information Exchange
