Imagination Station

Christchurch City Council update
May 2018

Sam Butcher – Managing Director

Tūranga
Based on the last 6 months, we’re expecting to see approximately 120,000 visitors per year!

55% of our visitors come to Tūranga specifically for Imagination Station

That’s approximately 70,000 extra visitors each year!
And 80% of our visitors use Library services while at Tūranga.

61% of our visitors plan to explore the city while in town. That’s almost 80,000 extra visitors in the central city, each year.
These people are actively learning, they’re excited for the future, and they’re inspired.

Let’s keep it up.
Imagination Station needs ongoing support from the Christchurch community.

The Christchurch City Council has a part to play in ensuring high quality independent initiatives are able to thrive.

Visitors: 115%
