       34. Recipients of Councillor-Director fees for 2018/19

1. Purpose of Report

1.1 This report requests the Council’s confirmation of recipients of donations from external organisations (i.e. Council-controlled organisations (CCOs)) in lieu of paying fees to Councillor-directors for the 2018/19 financial year only.

2. Staff Recommendations

That the Council:

1. Notes that donations in lieu of Councillor-director fees from external organisations are likely to be around $267,000 for 2018/19;

2. Endorses the allocation of donations in lieu of Councillor-director fees of $100,000 in 2018/19 to the Innovation and Sustainability Fund as provided for in the Long Term Plan 2018-28;

3. Approves the Mayor's Welfare Fund as the recipient of all other donations in lieu of Councillor-director fees in 2018/19;

4. Directs staff to report to the new Council by December 2019 for new decisions on the recipients for the donations in lieu of Councillor-director fees for 2019/20;

5. Requests Christchurch City Holdings Ltd to make donations in lieu of Councillor-director fees of $100,000 to the Innovation and Sustainability Fund and the remainder to the Mayor's Welfare Fund in 2018/19; and

6. Requests ChristchurchNZ Holdings Ltd and Transwaste Canterbury Ltd to make donations in lieu of Councillor-director fees to the Mayor's Welfare Fund in 2018/19.

Background

Policy for the Appointment and Remuneration of Directors

2.1 The Council’s Policy for the Appointment and Remuneration of Directors (CNCL/2017/00292 refers) requires external organisations (e.g. CCOs) to make donations in lieu of Councillor-director fees as follows:

- to recognise the element of public service involved a person appointed to the governing board of an external organisation in his or her capacity as an elected member or employee of the Council will not receive the remuneration otherwise payable in respect of that appointment; and

- the external organisation will be directed to donate an equivalent amount to recipients specified by the Council from time to time, to be paid as at 30 June each year, the recipients being charitable organisations established for the purpose of benefitting the community (or particular sector of it) or funds administered by the Council for the benefit of ratepayers.
Item 34

Recipients in 2017/18

2.2 The Appointments’ Policy provided for the recipients of donations in lieu of Councillor-director fees for the 2017/18 financial year only. The recipients for that year were the Innovation and Sustainability Fund (the Fund) and the Mayor’s Welfare Fund.

2.3 The allocation of donations to the Fund was underpinned by the Council’s resolutions for its establishment (CNCL/2017/00292 refers). The resolution is appended at Attachment A. It provides for an unspecified amount of funding from donations in lieu of Councillor-director fees to be included in the 2018-28 Long Term Plan (LTP) annually until 2025.

2.4 The LTP includes $100,000 in 2018/19 which brings the Fund to a total of $500,000.

3. Key Issues

Innovation and Sustainability Fund

3.1 Finance and legal staff are not clear on what authority the donation sum of $100,000 in lieu of Councillor-director fees to the Fund has been set. The resolution at Attachment A does not provide for a dollar amount to be donated.

3.2 Allocating the donations for a period of seven years does not fit with the Appointments’ Policy which requires recipients to be specified by the Council “from time to time”. This allows the Council the flexibility to direct the funding to meet the needs of the time. Our interpretation of “from time to time” is every one to two years. There is no record of the Council supporting the Innovation and Sustainability Committee’s resolution to provide $100,000 per annum to the Fund.

3.3 Taking into account the Appointments’ Policy’s provision for recipients to be specified by the Council “from time to time”, we consider that the funding decision made in 2017/18 could be confirmed for 2018/19 also if the Council so wishes. We understand that the $100,000 of potential funding from donations has been committed for expenditure by the Fund’s guardians.

Donations in 2018/19

3.4 The donations in 2018/19 from Christchurch City Holdings Ltd (CCHL), ChristchurchNZ Holdings Ltd (CNZHL) and Transwaste Canterbury Ltd are expected to total around $267,000, with $167,000 of this available for allocation to other than the Fund.

3.5 In order to make the donations process straightforward, we recommend that CCHL be the sole donor to the Fund and the balance of its donation as well as the donations from CNZ and Transwaste be allocated to the Mayor’s Welfare Fund (or such other recipient that the Council may decide).

Donations in 2019/20

3.6 Staff propose to report to the new Council before the end of this year seeking decisions on recipients of the donations in lieu of Councillor-director fees for the year starting 1 July 2019 and ending 30 June 2020. From then on, decisions will need to be made at the beginning of a year, rather than the end to provide certainty to the intended recipient for the commitment of expenditure.

Tax implications

3.7 The Innovation and Sustainability Fund is not a charitable organisation, and therefore the donation is not tax deductible to the donor.
Confirmation of Statutory Compliance

Compliance with Statutory Decision-making Requirements (ss 76 - 81 Local Government Act 2002).
