2. Staff Recommendations
   That the Road Closure Subcommittee:
   1. Receive the information in the report.
   2. Approve the road closure of Oxford Terrace from Worcester Boulevard to Cashel Street:
      a. from 4.45pm to 10pm Friday, 26 July 2019
      b. and from 6pm to 10pm Saturday, 27 July 2019.
   3. Approve the road closure of Hereford Street from 88 Hereford Street to Cambridge Terrace:
      a. From 6pm to 10pm Friday, 26 July 2019
      b. and from 6pm to 10pm Saturday, 27 July 2019.
   4. Approve the road closure of Oxford Terrace from Worcester Boulevard to Cashel Street and Hereford Street from 88 Hereford Street to Cambridge Terrace:
      a. From 6pm to 10pm Sunday, 28 July 2019. This is a backup date should the event be postponed on Friday 26 or Saturday, 27 July 2019.

3. Key Points
   3.1 Public consultation was carried out through standard channels with the period of time allowing for objections to be received meeting the minimum time period of one week. The application was publicly notified on 4 June 2019 with objections closing 12 June 2019.
   3.2 No objections were received from public consultation.
   3.3 At the time of writing this report, the event organiser has indicated that they will be providing a record of any feedback received, from impacted parties, to the Subcommittee. This information will be provided in advance of the scheduled meeting or alternatively they may choose to present the information in person to the Subcommittee.
   3.4 The Christchurch Transport Operations Centre (CTOC) was unable to support the original proposal due to the unreasonable impacts that the closures would cause. The proposed closures are a secondary proposal that enables Hereford Street to remain open till 6.00pm which allows for a permeable roading network to be maintained until after the high demand period (Evening peak hours) have passed.
3.5 Christchurch Tramways are aware of the proposed closures, and they have only one service operating during these times and the Tram will be escorted through the closures so that their services will not be affected.

3.6 Oxford Terrace is a shared pedestrian and cycle zone, with delivery vehicle access only and at restricted times, which will not be affected by these closures.

3.7 The Christchurch Transport Operations Centre supports the proposed closures, and does not believe the closures will have an unreasonable impact on traffic.
