5. **Deputations by Appointment**

   **Part B**

   5.1 **Lincoln Road (Moorhouse to Whiteleigh) and Moorhouse Avenue (Selwyn to Lincoln) Bus Priority Improvements**

   **Part B**

   Mr Robinson spoke on behalf the Addington Neighbourhood Association spoke to the Board regarding Clause 8 - Lincoln Road (Moorhouse to Whiteleigh) and Moorhouse Avenue (Selwyn to Lincoln) Bus Priority Improvements. The Association is in support of bus priority lanes to improve the travel time to the city for residents of suburbs such as Halswell. He pointed out, however, the Association's concerns that the Addington suburb had already been divided by the Brougham Street expressway.

   While the group is in favour of the proposal for a 30 kilometre per hour speed limit on Lincoln Road Mr Robinson noted that previous advocacy for the same speed limit in Addington had resulted in the installation of a 40 kilometre per hour limit, and he queried the inconsistency.

   Mr Robinson further queried proposals for restrictions of right turns on two of the seven feeder streets.
Overall the association has major concerns that approval of these measures may lead to proposals for further measures to increase traffic flow along Lincoln Road to the detriment of the Addington area which is something that the group would oppose.

After questions from members, the Chairperson thanked for Mr Robinson for his presentation.

Item 8 of these minutes refers.
