1. Purpose of Report / Te Pūtake Pūrongo
1.1 The purpose of this information report is to update the Multicultural Committee on the background and activities related to the implementation of the Multicultural Strategy and the Council’s response to the Mosque shootings on 15 March 2019.

2. Executive Summary / Te Whakarāpopoto Matua

Multicultural Strategy Update
2.1 The Multicultural Strategy Implementation Plan and Diversity and Inclusion report are complete and have gone to print. Both documents will be distributed widely throughout sector, community networks and service centres. They will also be available on the Council’s website for download.

2.2 The Multicultural Strategy commits to the development of a Multicultural Advisory Group - MAG. The selection process, started last year is now complete. At the time of writing, staff and relevant elected members are scheduled to meet and greet the newly selected Multicultural Advisory Group members on 30 January for its inaugural meeting. (Staff to provide feedback and agreed next steps to the committee at this meeting).

2.3 The Multicultural Strategy Implementation Plan commits to ensuring equity of access to Council’s services and information. Recent achievements include:
- An improvement to the way Council interacts with citizens with diverse needs including language assistance. Council’s public website and staff intranet has been updated to assist staff and customers to access interpreting and translating services. Information has been translated into key languages, encouraging people to engage with Council. The external link can be found here: https://ccc.govt.nz/contact-us/translate. Staff will monitor access and uptake of the interpreting service and translated information to gauge impact.
- Council has produced “I need an Interpreter” cards for people with English as a second language. Front line staff are receiving training in how to access and promote telephone interpreting for communities and citizens through the newly launched Ezyspeak telephone interpreting service – Please note Ezyspeak replaces the previous telephone interpreting service, Language Line that ceased in late 2019. The “I need an interpreter” cards have been distributed throughout Council facilities and the wider community.

2.4 Council staff continue to facilitate the INFORM (Interagency Network for Refugees and Migrants). INFORM meetings for 2020 are as follows:

15 March Mosque attacks update

2.5 Council continues to work alongside relevant communities and agencies supporting activities and programmes that contribute to the recovery of the community post 15 March 2019 terror attacks. The community are leading a range of community focussed activities as they link into relevant multi-agency support and funding.

2.6 Council administers, on behalf of the Ministry of Social Development, the Christchurch Community Activation Fund (CCAF). The CCAF provides support for small community initiatives that improve community safety, participation, inclusion, and connection for communities affected in any way by the Christchurch terror attacks. Since its launch in September the following 32 community led initiatives have received funding – see Attachment A.

2.7 Council, in partnership with the Department of Prime Minster and Cabinet (DPMC), Office for Ethnic Communities and the Department of Internal Affairs are working with affected families to ensure their views and aspirations are taken into consideration for next year’s 15 March remembrance event. A draft programme has been produced with the assistance of the Muslim community and will be presented to DPMC for sign off. Further, a public media release will be made to announce the event once confirmed.

2.8 Council’s Communications Team continue to provide timely advice and information to the Muslim community, support agencies and the broader community through the Our Future Together newsletter. The popular newsletter will continue to be produced and is taking more of a role in promoting activities and community information in the recovery rather than response phase.

2.9 The tributes previously stored at the Hagley Sports Centre have been distributed to the community, as much as possible, with the remaining transferred to the Council’s Distribution Centre. Any remaining tributes will be offered back to the wider Muslim community before they are disposed of. The Canterbury Museum have taken items, with the blessing of the Muslim community, into their permanent collection and all tribute books, letters and key art works have been preserved and/or archived.

2.10 Council played a key role in organising the Open Space Forum held with the Muslim community in October last year. Twenty six (26) key actions came out of the sessions. The Office for Ethnic Communities has allocated a fulltime staff member to ensure the action plan is achieved.

2.11 Council staff are working with Linwood Mosque to support their proposed rebuild. The Mosque executive agreed to meet monthly with Council staff as their plan progresses.

8. Resolution to Exclude the Public

I move that the public be excluded from the following parts of the proceedings of this meeting, namely items listed overleaf.

Reason for passing this resolution: good reason to withhold exists under section 7.
Specific grounds under section 48(1) for the passing of this resolution: Section 48(1)(a)

Note

Section 48(4) of the Local Government Official Information and Meetings Act 1987 provides as follows:

“(4) Every resolution to exclude the public shall be put at a time when the meeting is open to the public, and the text of that resolution (or copies thereof):

(a) Shall be available to any member of the public who is present; and
(b) Shall form part of the minutes of the local authority.”

This resolution is made in reliance on Section 48(1)(a) of the Local Government Official Information and Meetings Act 1987 and the particular interest or interests protected by Section 6 or Section 7 of that Act which would be prejudiced by the holding of the whole or relevant part of the proceedings of the meeting in public are as follows:
