   Helen Broughton/Mark Peters  
   
   **Carried**

4. **Public Forum / Te Huinga Whānui**
   
   **Part B**
   
   **4.1 Halswell Football Club**
   
   Kevin Clarke (President) and Craig Brown Bowen * (Executive Board member), addressed the Board on behalf of the Halswell Football Club and presented an update on the club’s proposal to build new clubrooms.
   
   The club was formed in 1964 and membership has greatly increased over the years. The proposed new building will be within the current footprint of the present building and will cater for both competitive and community teams, and supporters. Toilet facilities will be available for other users of the domain.
   
   After questions from members the Chairperson thanked Kevin Clarke and Craig Brown Bowen * for their presentation and suggested that the Board could meet onsite with members of the Halswell Football Club.
4.2 **Greater Hornby Residents Assn**

Ross Houliston, representing Greater Hornby Residents' Association, addressed the Board regarding Waste Management’s planned waste processing and stabilisation facility at 305 Marshs Road.

Mr Houliston informed the Board that Waste Management have requested that their application relating to resource consent, lodged on 22 March 2019, be directly referred to the Environment Court for determination instead of Environment Canterbury. The application is for a discharge permit to discharge contaminants to air (CRC 194083).

Mr Houliston also expressed concern about the safety of the Gilberthorpes/Waterloo Road intersection and gave examples of vehicles failing to stop at the compulsory stop.

After questions from members, the Chairperson thanked Mr Houliston for his presentation.

5. **Deputations by Appointment / Ngā Huinga Whakaritenga**

**Part B**

5.1 **John Paterson Drive and Richmond Avenue, Halswell – Proposed No Stopping Restrictions and Give Way Control**

Mr Greg Olive, local resident, addressed the Board regarding Item 9 - John Paterson Drive and Richmond Avenue, Halswell – Proposed No Stopping restrictions and Give Way Control.

Mr Olive expressed concerns regarding the proposal for a give way sign and no stopping restrictions at the intersection of John Paterson Drive and Richmond Avenue. Mr Olive considers that the removal of parking will encourage speeds in excess of the 40 kilometre speed limit and that the changes do not take into account future subdivision in the vicinity. He asked that the Board defer making a decision on the proposal.

After questions from Board members, the Chairperson thanked Mr Olive for his presentation.

Item 9 of these minutes refers.

5.2 **John Paterson Drive and Richmond Avenue, Halswell – Proposed No Stopping Restrictions and Give Way Control**

Darren Fabri, local resident, addressed the Board regarding Item 9 - John Paterson Drive and Richmond Avenue, Halswell – Proposed No Stopping restrictions and give Way Control.

Mr Fabri lives in John Paterson Drive and has no objections to the new road layout. Mr Fabri considers that the proposed Give Way sign would be better to be located on Richmond Avenue so that traffic on that road would be required to give way to traffic on John Paterson Drive.
After questions from Board members, the Chairperson thanked Mr Fabri for his presentation.

Item 9 of these minutes refers.

5.3 66 Quaifes Road

Karen White and Michelle Foster, representing the Halswell Playcentre, addressed the Board regarding Item 10 the sale of land at 66 Quaifes Road.

They referred to their earlier public forum presentation at the Boards 17 March 2020 meeting, regarding their ongoing efforts and issues in finding replacement premises in Halswell.

Ms White noted that the land at 66 Quaifes Road is no longer needed by the Council and consider that this provides a rare opportunity for at least a portion of this land to be retained and used for community purposes, such as a new Halswell Playcentre.

Ms White and Ms Foster recognised the financial challenges currently facing the Council and said that while selling this land would be helpful, they also believed that fiscal responsibility should be balanced against the need to serve communities.

After questions from Board members, the Chairperson thanked Ms White and Ms Foster for their presentation.

Item 10 of these minutes refers.

9. John Paterson Drive and Richmond Avenue, Halswell - Proposed No Stopping Restrictions and Give Way Control

A point of order was raised pursuant to standing order 21.2(b).

The meeting adjourned at 5.31pm and reconvened at 5.37pm

The chairperson decided in respect of the point of order raised that there had been no breach of standing orders.

Board Comment

Staff in attendance spoke to the report and advised that the road layout has already been approved as part of the Knightstream subdivision consent and that construction is about to commence. Staff further advised that the positioning of the proposed Give Way sign provides for the lower traffic flow to give way to the greater flow and noted that the new shared pathway currently underway is to be completed.

The Board also took into consideration the deputations from Greg Olive and Darren Fabri (item numbers 5.1 and 5.2 of these minutes) and the responses received to the consultation on the proposal.

Carried

Mike Mora/Mark Peters

Anne Galloway and Catherin Chu left the meeting at 6pm.
12. Elected Members’ Information Exchange

Part B

Board members exchanged information on the following:

- There are local concerns in Halswell regarding traffic light sequencing, particularly on Augustine Drive.
- Westmorland residents have raised concerns regarding traffic when trying to exit the subdivision (to Cashmere Road) at peak traffic times.
- It is noted that there seems to be a variance in drinking water chlorination levels.
- There are ongoing concerns about the lack of right turning arrows at intersections in Hornby, in particular the Main South Road, Carmen Road, Shands Road intersection, where there are some right turn arrows but none at the exit from the Hub.
- There is concern about traffic congestion on Amyes Road.
- A community safety meeting is taking place at Knights Stream School.
- The ‘blip’ at Neill Street, Hornby requires to be addressed.
- The consultation on the Council’s Updated Draft Annual Plan 2020-21 has concluded with hearings having already taken place.
- The Templeton Residents’ Association recently held a meeting.
- The new Springs Road roundabout at Hornby seems to be causing some traffic issues.
