# Developing Resilience in the 21st Century

Strategic Framework

Whiria ngā whenu o ngā papa,  
honoa ki te maurua tāukiuki  
Bind together the strands of each mat and join  
together with the seams of respect and reciprocity

## Ōtautahi-Christchurch is a city of opportunity for all

Open to new ideas, new people and new ways of doing things – a city where anything is possible

### Principles

<p>Being open, transparent and democratically accountable</p> <p>Promoting equity, valuing diversity and fostering inclusion</p>	<p>Taking an inter-generational approach to sustainable development, prioritising the social, economic and cultural wellbeing of people and communities and the quality of the environment, now and into the future</p>	<p>Building on the relationship with Te Rūnanga o Ngāi Tahu and the Te Hononga-Council Papatipu Rūnanga partnership, reflecting mutual understanding and respect</p>	<p>Actively collaborating and co-operating with other local, regional and national organisations</p> <p>Ensuring the diversity and interests of our communities across the city and the district are reflected in decision-making</p>
----------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### Community Outcomes

<p><b>Resilient communities</b></p> <p>Strong sense of community Active participation in civic life Safe and healthy communities Celebration of our identity through arts, culture, heritage, sport and recreation Valuing the voices of all cultures and ages (including children)</p>	<p><b>Liveable city</b></p> <p>Vibrant and thriving city centre Sustainable suburban and rural centres A well connected and accessible city promoting active and public transport Sufficient supply of, and access to, a range of housing 21st century garden city we are proud to live in</p>	<p><b>Healthy environment</b></p> <p>Healthy water bodies High quality drinking water Unique landscapes and indigenous biodiversity are valued and stewardship exercised Sustainable use of resources and minimising waste</p>	<p><b>Prosperous economy</b></p> <p>Great place for people, business and investment An inclusive, equitable economy with broad-based prosperity for all A productive, adaptive and resilient economic base Modern and robust city infrastructure and community facilities</p>
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### Strategic Priorities

<p><b>Enabling active and connected communities to own their future</b></p>	<p><b>Meeting the challenge of climate change through every means available</b></p>	<p><b>Ensuring a high quality drinking water supply that is safe and sustainable</b></p>	<p><b>Accelerating the momentum the city needs</b></p>	<p><b>Ensuring rates are affordable and sustainable</b></p>
-----------------------------------------------------------------------------	-------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------	--------------------------------------------------------	-------------------------------------------------------------

**Ensuring we get core business done while delivering on our Strategic Priorities and achieving our Community Outcomes**

Engagement with the community and partners	Strategies, Plans and Partnerships	Long Term Plan and Annual Plan	Our service delivery approach	Monitoring and reporting on our progress
--------------------------------------------	------------------------------------	--------------------------------	-------------------------------	------------------------------------------

- 
- Part A Matters Requiring a Council Decision  
Part B Reports for Information
