10. Social Housing Portfolio Red Zone Compensation

Council Resolved CNCL/2021/00065

Officer recommendations adopted without change.

That the Council:

1. Notes that:
 - a. The social housing portfolio/fund is discrete from the Council's consolidated account and assets, i.e. is a ring fenced fund, not ratepayer funded and used solely for the purposes of social housing.
 - b. Through the post-earthquake arrangements between the Crown and Council, more particularly related to the Residential Red Zone sale and purchase and the Cost Share Agreement established in 2013, value from the social housing fund was transferred to the Council's consolidated account.

- c. While a large portion of the loss in value has been recompensed there still exists a shortfall of \$1,108,000 to fully compensate the social housing fund for the loss in value.
 - d. There currently exists an opportunity, this financial year 2020/21, to address the shortfall and fully compensate the social housing fund through a surplus of property sales revenue against budget.
2. Authorise the transfer of \$1,108,000 from the Council's consolidated account to the Social Housing Fund.
 3. Delegate Authority to the Head of Financial Management to do all things necessary to give effect to this transfer.
