#### 1. Brief Summary

- 1.1 The purpose of this report is to allow the Submissions Committee to consider making a submission to the Council on the Water Supply, Wastewater and Stormwater Bylaw Review.
- 1.2 A drop-in session is scheduled for this consultation on Tuesday 1 February 2022.
- 1.3 The Council is required to review this bylaw by 2024, but has decided to review it sooner to help meet the Council's new stormwater obligations under the Comprehensive Stormwater Network Discharge Consent. It is also a general opportunity to improve and update the bylaw to ensure it is fit-for-purpose.
- 1.4 The Council acknowledges that national changes to how water supplies, wastewater and stormwater are managed have been foreshadowed. However these have not been finalised and would be likely to take several years to implement; in the meantime a review of the bylaw is still recommended to enable the Council to meet its current obligations.
- 1.5 Detailed information about the Strategy can be found on the Have Your Say page: <https://ccc.govt.nz/the-council/haveyoursay/show/472>

#### 2. Officer Recommendations Ngā Tūtohu

That the Waimāero Fendalton-Waimairi-Harewood Community Board Submissions Committee:

1. Considers making a submission to the Council on behalf of the Board on the Water Supply, Wastewater and Stormwater Bylaw Review.
