Low Noise asphaltting – Christchurch Northern Corridor

Started on Sunday 30 January 2022. The work will be done at night

Dudley Street Bird Hazard

Residents in Dudley Street have raised concerns regarding the number of birds that are roosting in the trees in the street.

A large number of starlings appear to have adopted these trees as roosts causing problems with bird droppings.

Thank you!

All Saints Anglican Church

All Saints on New Brighton road, under the leadership of Carolyn Robertson, is well underway with a new development. All Saints have bought the old foundry from the University of Canterbury and have plans to be submitted to the Council for approval for a brand new Community Facility. The new facility makes use of the whole of the old foundry building and will be a multi-use facility that will offer spaces to all members of the community. Carolyn has a wonderful way of engaging with people and is very inclusive, an attitude that will bring people together in the new space. Carolyn has worked hard with the architects to ensure the spaces serve all ages, stages and demographics. We look forward to watching as the building takes shape and develops.

3

Bridge Street Hub

The Bridge Street Hub's logo is now up, the crowning jewel of the new community centre, bringing the completion ever closer. With just a few finishing touches to be done and a clean, the hub is set to open within the next couple of months.

For the mural inside, Kyla K of KAYLA K Design won the community vote held on 22 October 2021 and will be starting to paint her design on the internal north facing wall of community hub café shortly.

Ascot Community Centre – Upgrades

The Ascot Hub managed by Eastern Community Sport had scheduled renewals and improvements to the patio area to improve flow and access to petanque and parking areas. This work commenced in December 2021. All the current user groups have been advised. In the New Year, the building will also have some internal improvements completed, including new furniture, heating, internal repaint of walls and doors, accessible toilets upgraded and wifi installed.

Coast to Coast

The 2022 Coast to Coast event will be going ahead this weekend. The event finishes in New Brighton. There will be some differences to the event⁶ due to COVID-19 restrictions.

Thank you!
