4.1 Spreydon Domain carpark

Kelly Perazzolo spoke on behalf of the Spreydon Tennis Club regarding the condition of the parking area by the tennis courts at the north end of Spreydon Domain.

Mr Perazzolo stated that the carpark is overdue for maintenance. Particular issues he referred to were the visibility and lack of marking of the mobility parks as well as drainage and lighting in the carpark.

Mr Perazzolo said that, in his view, the current condition of the carpark has an unkempt look that is likely to attract vandalism and other anti-social behaviour.

Mr Perazzolo requested that an upgrade to the carpark be considered by the Council. Mr Perazzolo estimated that combined membership of the Spreydon Tennis Club, the Kereru Sports and Cultural Club and the future lessee of Coronation Hall will number over 900 people as potential users of the carpark.

Mr Perazzolo tabled a document including photographs of the current carpark. (Attachment A)

A Board member queried whether carpark maintenance would be included in the scope of repairs for Coronation Hall.

A Board member suggested asking staff advice on when the carpark last had any maintenance work and when it would be due for maintenance in the future.

A Board member suggested staff investigate options to improve the conditions of the carpark, including marking the mobility parking spaces and improving drainage.

A Board member suggested asking staff to note the Club's aspiration for better lighting in the carpark.

Following questions the Chairperson thank Mr Perazzolo for his presentation.
