## 4. Proposed Temporary Road Closures for Matariki Winter Fireworks 2022

### Subcommittee Comment

The Subcommittee received an overview of the proposed temporary road closures from the Team Leader Traffic Management Coordinator, Temporary Traffic Management Team.

The Event Partnerships and Development Advisor and Events Producer for the event were in attendance, and provided information and responded to questions regarding the event and notification.

The Subcommittee acknowledged and considered the information provided by the event organiser on the communication and engagement undertaken on the proposed road closures. It was noted

that initial stakeholder and resident communication had not included the closure of New Brighton Road. The Subcommittee was advised that there are no residents in this area, and that if approved further notification and pre-warning signage will include this road closure.
