- 1.4 The event organisers have indicated that they have undertaken direct notifications to impacted parties, which is required as part of the road closure application process. The event organisers will provide a record of any feedback received, from impacted parties, to the Subcommittee in advance of the scheduled meeting or alternatively the organisers may present the information in person to the Subcommittee.
- 1.5 Public notification was carried out through publication in The Press and on the Council website. The period of time allowing for objections to be received meeting the minimum required time period of one week. The application was publicly advertised in The Press on Tuesday 30 May 2023 with objections closing Wednesday 7 June 2023.
