3. **Verbal Update from Transwaste Canterbury Limited**

This workshop item will not be open to the public under the following sections of the LGOIMA:

S7(2)(h) – The withholding of the information is necessary to enable the local authority to carry out, without prejudice or disadvantage, commercial activities.

Plain English Reason - The verbal update provides an opportunity for discussion with Company Directors which, if made in public, could prejudice the commercial activities of the company.

In the Council's view the reasons holding a publicly excluded workshop are not outweighed by public interest considerations in section 7(1) favouring their release.

The public can ask the Ombudsman to review this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.
