## 4. Proposed Temporary Road Closure for events at OneNZ Stadium at TeKaha

### Subcommittee Consideration

Cory Johnson from Coned Up Traffic Management Solutions, and Peter Maddock from Venues Ōtautahi joined the table for this item.

The Subcommittee were provided with feedback from the events of the previous weekend, including that from a residents' meeting held with VŌ post event. One aspect of feedback from this meeting was that while events at the stadium are imbedding, consistency is key so people know what to expect. No changes have been proposed from those in place from the last event.

Officer Recommendation accepted without change.
