Karakia Tīmatanga

The agenda was dealt with in the following order.

1. Apologies Ngā Whakapāha

An apology for absence from Jake McLellan was received later the session.

2. Community Funding Information Session

Community Board Information Session/Workshop Notes

The Community Governance Manager provided an update on changes to Council's contestable funding for the 2025/26 financial year, including the new funding platform, SmartyGrants.

Staff addressed the Board's questions, including in relation to:

- Information on other funds groups may have applied to.
- A review of community funding.
- Checks and balances on funding applications.
- Impact on community board splits.

Pauline Cotter left the meeting at 4.39 pm and returned at 4.42 pm during consideration of Item 3.

3. Transport Growth work in the Waipapa Area

Community Board Information Session/Workshop Notes

The Asset Engineer Policy provided an update on various growth-related transport work occurring in the Community Board area around the Oakbridge subdivision in Marshland.

Staff addressed the Board's questions, including in relation to:

- The handling of potential conflicts between trees and services in new subdivisions.
- Traffic impacts on surrounding streets and intersections.

4. Update on CNC Downstream Effects Management Plan (DEMP)

Community Board Information Session/Workshop Notes

The Project Manager spoke to the attached presentation and traffic monitoring data to provide an update on the progress of the CNC Downstream Effects Management Plan (DEMP) project and related work within the DEMP area.

The Project Manager addressed the Board's questions, including in relation to:

- Traffic management for the construction on Cranford Street.

- High skid resistant paint to be applied around intersection with Westminster Street and at the English Park pedestrian crossing.
- Consideration of traffic monitoring data for Courtenay Street subsequent to finding at next count confirming trend.
- Understanding data for Jameson Avenue.
- Distinguishing traffic from local growth versus that from the CNC.
- NZTA not considering new safety camera installations in Christchurch till 2026.
- Progressing safety improvements around St Albans School.
- NO2 monitoring and different guidelines for levels.
