Dear Banks Peninsula residents,

I'm pleased to share the results of our recent community survey regarding the proposed Dark Sky Reserve initiative.

Total responses: 307

Supportive (Yes): 265 (86.3%) Opposed (No): 35 (11.4%) Unsure: 7 (2.3%)

These results clearly demonstrate overwhelming community support for the initiative.

There have been some good questions come through and my team are currently correlating these for me. I will be in contact again soon with the proposed next steps and answers to your questions.

Best Wishes,
