The east side of the raised pedestrian crossing has a big dip. Makes it difficult for:  
The elderly.  
People with Prams.  
Children with bicycles/scooters.

# Papanui Parallel - Rutland st

## Colombo Street Cycle Route Connection boxed planters

There used to be planter boxes along colombo st between Bealey Ave and Kilmore St

What happened to them? Are they coming back?

# Cranford Basin Issues

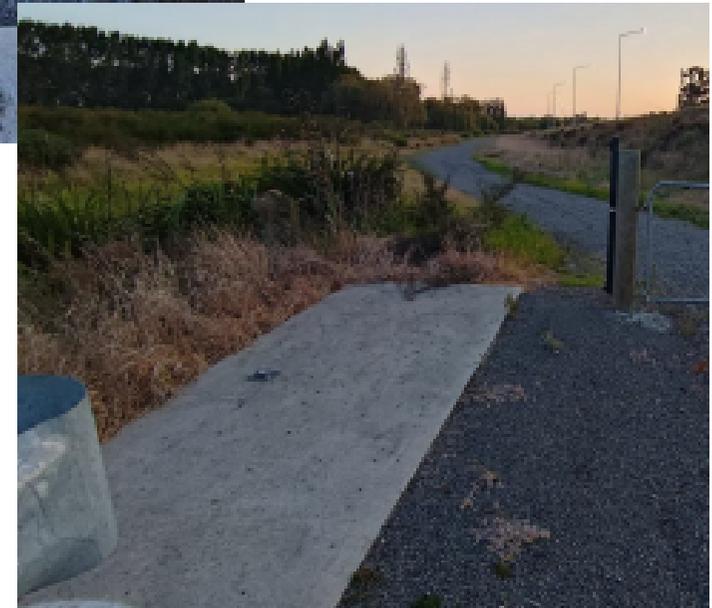

## How to solve?

Don't put metal fences in...  
they will get stolen

Just concrete in a couple of Wooden pine poles  
buried in the ground would stop cars going in?

A large boulder?
