Worcester Street Speed Humps

Rapanui Shag Rock cycleway

Before

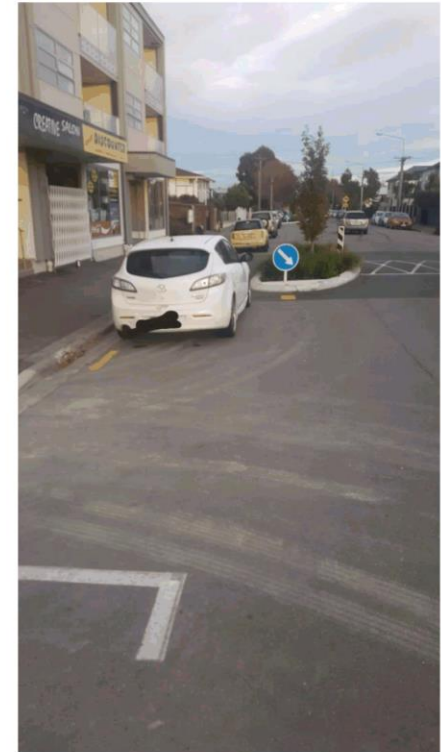

Present

Issues

Recommendation

- The preferred option to remove the current speed humps/road narrowing and replace with a fully separated cycle route while maintaining residents parking.
- Option 2 remove current route and replace with partial separation.
- Option 3 Restore to original state which was safer and had no issues.
- Option 4 Leave as is. Not acceptable given issues and lack of action.
