Activity	Detail	Timeline	Strategic Alignment
Summer with your neighbours	Summer with your neighbours is about bringing people closer together and celebrating the unique and diverse mix of each neighbourhood. Three years ago we extended the event for the whole summer after feedback from our applicants and it is now known as Summer with your neighbours.	22/10/22 – 31/03/23	Resilient communities – strong sense of community.
Edible and Sustainable Garden Awards	The Board is partnering with the Canterbury Horticultural Society to celebrate all types of food gardens in the Spreydon, Cashmere, and Heathcote wards. The Board received 48 entries this year. Entries closed 10 January 2023, gardens are in the process of being assessed, an awards celebration will be held later in the year.	Ongoing	Sustainable suburban and rural centres. Strong sense of community. Safe and healthy communities. Sustainable use of resources and minimising waste.
Kumara Awards	The King George V Reserve Tiny Forest project led by Flourish Kia Puawai's Mark Gibson, and the Addington Farm urban garden projects have both won Placemaking	Completed	Healthy Environment Resilient Communities

	<p>Aotearoa Kumara Awards in late 2022. As well as environmental outcomes, both projects create community connections and collaborations, and have received Council and Community Board support. Shown below are before (2021) and after photos (2022) in the King George V Reserve at an Opawaho River and stream intersection.</p> <div style="display: flex; justify-content: space-around;">   </div>

3.2.4 Youth Development Fund – Reporting back to Community Board:

Name Event	Photos
<p>Riley Thomson NZ Secondary School Canoe Polo Championships, Hastings</p> <p>Many thanks for the grant to play canoe polo at national tournaments in the North Island. This was a great opportunity as it was the first time that our team had played in a North Island tournament, and we got to play many different teams and game styles that we hadn't experienced before.</p> <p>At the national club champs, we came 10th in B Grade, and in the School Nationals we came 4th. Our team improved significantly, as well as having a great time and meeting some new people. Your funding helped to make this trip happen, and I am very grateful for the support.</p>	
<p>Sophie Yarham NZ Junior White Sox, U19 State Championships, Australia</p> <p>Without funding it would have made it very financially difficult for my family. With this funding alongside support from my parents and others I was able to go to Australia and represent my country. This has led into me being able to achieve my goal of representing NZ overseas and has created new aspirations for me to reach and continue to hopefully succeed, such as continuing to make this team in the next couple of years and continuing to work towards the White Sox in the far future.</p>	

Vinnie Hayes

NZ Secondary School Canoe Polo Championships, Hastings

We had spent several months leading up to the competition practicing as a team. It was great to be able to experience the benefits of our training sessions on the purpose-built Canoe Polo pitches in Hastings. After some hard-fought games we managed to win the finals 3 - 2 against Havelock North High School and take home gold in the Junior grade.

Thank you for helping and support me to attend my first New Zealand competition.

3.2.5 Off the Ground Fund Applications

Name	Event	Amount
Hoon Hay Theatre Company	Hire of sound and stage equipment – Red Riding Hood and the Three Pigs	\$300

The Off the Ground Fund Decision Matrices are **attached** for record purposes.

3.2.6 Off the Ground Fund – Reporting back to Community Board:

Name Event	Photos
<p>Hoon Hay Community Association Hoon Hay Repair Café</p> <p>On the day, we had one person doing jewellery repairs, two people sewing, two people fixing bikes, one person sharpening tools and one offering tech advice. In the two hour slot we opened for, we had over 30 groups of people through, and they all walked away with items successfully mended (including an elderly lady with a necklace she'd received at her high school graduation). There was a fantastic 'buzz' of people saying what a great idea it was, and asking if it would be on again in the future. 10 volunteers were there for 2-3 hours. With the community keen to have it happen again, and the volunteers going away feeling valued, we feel this would be a great event to happen in the community twice a year going forward.</p> <p>Items otherwise destined for landfill were getting a second life - that has to be good! As well as</p>	 

people walking away with items mended, they had stayed a while and engaged with others, which was also part of the purpose of the event. A kind of ‘community glue’ you could say! So all in all, the day was a great success, and we look forward to doing it all again.
