3.2 Jellie Park Pool Party

The Jellie Park pool party was held on 2 December 2022. The event was open to young people in Years 7 to 13. Approximately 120 young people from the area attended the event which was run in partnership with the Papanui Youth Development Trust and supported by youth workers from Te Ora Hou Ōtautahi.

The event was funded by the Waimāero Fendalton-Waimairi-Harewood and Waipapa Papanui-Innes-Central Community Boards. A huge thanks to our local Community Recreation Advisers, Lisa Gregory and Helen Miles for their work on the event.

3.3 Summer Buckets of Fun

Building on the success of last year's Summer Buckets of Fun, Avonhead Community Trust (ACT) put together one hundred Summer Buckets of Fun for local families. The buckets were engaging for the whole family and included lots of fun and free ideas for families to do together over the holidays.

With the support from the Waimāero Fendalton-Waimairi-Harewood Community Board, Avonhead Baptist Church, and local sponsors, ACT were able to double what they distributed last year. The buckets were well received and given to local families through Avonhead and Russley Primary Schools, the local food bank, ACT holiday programmes, and the wider community.

3.4 Christmas Community Liaison Network Meeting

The last Community Liaison Meeting of 2022 took place on Wednesday 30 November 2022 at the FC Twenty 11 Club House, on Yaldhurst Road. This facility is now in the Waimairi ward area following the boundary changes that came into effect in October 2022.

Jimmy Sinclair, from Kia Kori Waitaha, Play in Canterbury, was the guest speaker and talked to the group about the purpose of their project. This was followed by the attendees having lots of fun playing outside with the equipment, including giant Jenga!

The group completed a task to help identify how best staff can support them in 2023, to help them be successful in what they are trying to achieve and to identify the best timings for the meetings.

On behalf of the Community Board, Bridget Williams officially thanked the group for the awesome work they do in the community. The meeting was then closed and followed by an end-of-year thank-you lunch for those in attendance.

3.5 Crosbie Park Working Bee

Following the successful planting day in October 2022, a community working bee took place at the Ilam Stream in Crosbie Park on 21 December, to assist the local Park Ranger in maintaining and caring for the new plants. The working bee was arranged before Christmas to engage the local community members in helping care for the plants, particularly during the school holidays, whilst the local school and Playcentre are closed.

Seven people turned up, two existing volunteers from NOTIS and five new to the project, two from a local church, and three Russley Primary Year 8 leavers. All of the volunteers have indicated they are keen to continue to be involved.

Before the working bee began, Council staff on-site spoke to a couple of local children who were in the park with their carer. They were unable to stay for the working bee so they decided to pick up all the rubbish from the stream before people arrived!

At their meeting on 7 November 2022, the Community Board resolved to:

Nominate Shirish Paranjape as the Board's representative to the Riccarton Bush Trust.

This nomination would normally require Council approval, however at the Council meeting on 7 December 2022, the Council delegated to the Waimāero Fendalton-Waimairi-Harewood and Waipuna Halswell-Hornby-Riccarton Community Boards the ability to each appoint two representatives to the Riccarton Bush Trust.

The Waimāero Fendalton-Waimairi-Harewood Community Board is now able to confirm the appointment of Shirish Paranjape as the Board's representative.

The second appointment the Board is delegated to make has historically been an external appointment and the Trust will provide the Community Board with further information regarding this appointment at a later date.
